

NEWSLETTER

18TH DECEMBER 2020

We would like to wish all our families a "Happy Christmas" and hope that everyone is able to meet with their loved ones over this holiday time.

We have had a busy term and had many challenges to traditional ways of working along the way! Through it all our pupils have settled down and got on with their learning, whether that has been in school or at home. They have been amazing!

We have still managed to mark important events in school such as Remembrance, Christingle, The Nativity, and others, as well as incorporating as many additional activities as we felt it was safe to do. We are hopeful that in the coming months we will be able to do more and more of the things that enrich our curriculum.

Normally at the end of term we would have been in Church celebrating the successes children have had with parents and sharing that sense of community and partnership that is so important to us. Whilst this has not been possible, we have still celebrated our pupils hard work, determination and achievement in celebration assemblies in school, sometimes outside but usually on Teams. We are looking forward to the time when we can share these events with you.

School Lane, Lubenham, Market Harborough LE16 9TW

I would like to take this opportunity to thank all members of staff in our school for their hard work and commitment to our children in circumstances that none of us could never had foreseen. You are inspirational!

As you may be aware, schools have been asked by the government to be available for track and trace proposes for six days after the end of term. To enable us to do this and keep our community safe, if your child is ill with Covid symptoms over the weekend after we have broken up, and subsequently tests positive, please alert us on the usual Covid email address: covidquestions@lub.learnat.uk. This will be monitored until the 24th December.

Looking ahead to the Spring term we will begin the year with a geography theme; ???

Reception and Year 1 will study:

Year 2 & 3 will study:

Year 4 /, 5& 6 will study:

Children will return to school on Tuesday the 5th of January. Teachers will have spent the day before thinking about our Science curriculum and getting ready for children to return.

Merry Christmas from everyone at Lubenham Primary School
