

Welcome back everyone.

I hope you have enjoyed a wonderful Easter Break with your families and feel rested and relaxed for the Summer Term. It looks like it is going to be a busy action-packed term. We have lots to look forward to and will be working hard ensure our children feel safe and secure as we move forward.

We also welcome all the new parents and children, who have had their school place confirmed today, and look forward to meeting them all and welcoming them into our school community in September of this year.

Star of the Week

Our Star of the week awards are being re-introduced and we are pleased to confirm that this week's winners of Star of the Week for their class are:

Robins

Falicity Traviss

Blackbirds

Emily Day

Kingfishers

Poppy Tipping

There have been a few changes to our routines because of the recent relaxation of Lockdown rules.

Bubbles

Blackbirds and Robin Class have now merged bubbles which will allow for more opportunities to be together at playtimes. This will also mean we will be able to resume our Summer Sports Programme at After School Club.

After School Club

Summer Term After School Sports Clubs				
Monday	Tuesday	Wednesday	Thursday	Friday
Football	Cricket	Golf	Rounders	Athletics

Health and Well being

We have some exciting PE programmes beginning next week for some of our children that are being led by staff from South Leicestershire Schools Sports Partnership.

The Big Moves programme starts for our younger children in Robin Class next week. This is a Developmental Movement Intervention Programme which has been created to improve children's physical development but also impacts on wider school life, including developing listening and concentration, learning success and appropriate behaviour.

Kingfisher Class will also get the opportunity to take part in an introduction to Paralympic sport this half term which helps showcase disability sport.

Both of these activities will be on a Monday so Kingfisher and Robin children will need to wear PE kit on those days.

Lubenham All Saints Primary School, Executive Headteacher: Mrs Heather White

Homework

Homework and Knowledge Organisers will be posted on our Class TEAMS pages. This will include a selection of cross curricular activities plus links to Times Table Rockstars for y2-6 children and NumBots for Reception and Year 1 children.

Reading

This term we are introducing a new Bingo Reading Challenge. The aim of which is to encourage children to read for pleasure both at home and at school. Please encourage your child to take part. More information coming soon!

"Developing a love of reading can be more important for a child's educational success than their family's socio-economic background." OECD, 2002

Height and weight checks of Reception and Year 6 children as part of the National Child Measurement Programme (NCMP) for the collection year 2020 to 2021

We have been given an update on the recent decision made regarding the National Child Measurement Programme (NCMP) for the academic year 2020 to 2021.

"Following the reopening of primary schools for all pupils, the Secretary of State for Health and Social Care via Public Health England (PHE) has requested that local authorities use the rest of the academic year to collect a representative sample of data. The sample size should be a minimum of 10% of children in the local area, constructed via selection of schools. This will enable a national estimate of children's weight status (including obesity prevalence) for 2020/21 and contribute towards assessing the impact of the COVID-19 pandemic on children's physical health. Schools have been selected by Public Health England to enable collection of a representative sample of children measured in England in terms of deprivation and ethnicity mix. Unfortunately, your school has not been selected."

There will therefore not be any height and weight checks for our reception and year 6 children this academic year. We have been supplied with details to keep your family fit and healthy. Please see attached resources for your information.

Great Bowden Recital Trust Youth Choir Juniors

GBRT is restarting out its Youth Choir Juniors for children aged 5-9 years from 21st April at Meadowdale Primary School. Please see the attached poster to this newsletter for further information.

We look forward to better weather this summer term and enjoying our lovely outdoor facilities, including the garden, playing fields and playground. We will also have the chicken cam up and running by Monday which will be a live feed streaming onto our website, so look out for lots of chicken action!

We are a NUT FREE SCHOOL. Please when giving your child a packed lunch could you ensure there are no nut products in the lunch box. Many thanks.
