Stars of the Week

This week our Stars of the Week are: Jax Jeggo, Joey Hirst and Zachary Middleton

Thank you to everyone who completed our parent questionnaire. Your responses have helped us to celebrate our successes and plan for future improvements.

Unfortunately, so many things have been impacted by the pandemic that we have not been able to hold our open days that we value so much. We are hopeful that as we move towards the end of the term, many of our usual end of term events will be able to take place in one form or other.

We continue to hold whole school assemblies outside in our lovely school grounds, which certainly brings us together and feels like a real celebration. Senior leaders have also been able to start visiting lessons again to observe the fantastic work happening in our classes.

The Big Ask

[The Big Ask | Children's Commissioner for England Children's Commissioner for England \(childrenscommissioner.gov.uk\)](https://www.childrenscommissioner.gov.uk/the-big-ask/)

The Big Ask is a survey for children and young people aged 4–17 in England. The survey is split into different age groups, so you can fill in a version appropriate for your age.

Reading For Pleasure

We love reading at Lubenham and are excited that the **National Book Token Big Prize Draw** is back, giving you the chance to win £5,000 of National Book Tokens for your school's library – and if your entry is picked, you'll also get £100 of National Book Tokens to spend on yourself!

Find out about other previous winners and enter this year's competition by completing the application form on the website link below. The closing date is Saturday 31st July 2021, and the winner will be announced in the autumn term. There is also a competition for children to create their own dazzling National Book Token. You could win a £10 gift card featuring your own artwork

Active Travel Month

Don't forget this month is Active Travel month. Thank you to everyone who is trying to find active ways to travel to school this month.

DIY SOS

New Pond Plans

We are very excited about a new design that has been created by The Wildlife Trust for a brand new pond area on the school field. It includes a decked area for pond dipping, lots of space to create different animal habitats and a wildflower bank. We think this will be a wonderful addition to our outdoor space and a valuable resource to support our science curriculum.

We are keen to get this project moving as soon as possible but of course these things cost money and are a lot of hard work. If there are any budding landscapers out there who would like to help with the project, then please get in touch with the office. If you are not able to help in person but would like to help in other ways, eg: by sourcing materials and equipment or fund raising we would love to hear from you.
