

## **Newsletter 18.06.21**

As we begin the final half term of the year, it has been lovely to see the children challenging themselves to achieve the best they can and enjoying learning so much. Thank you to everybody who has continued to adhere to our COVID safety measures at drop off and collection, we have entered a new phase as a country, so it is crucial that we continue to work together to protect one another particularly as we are so near to the end of term.

## **Transition days**

Due to the latest government guidelines of a 4 week pause at step 3, and the continuous rapid spread of the Delta COVID-19 risk. We have decided to cancel all transition meeting at school, the meetings will now be held via teams and a link will be sent out to parents shortly.

We have also considered the risk of inviting parents to join us on Sports days and at the end of term services, and we have decided that in order to protect our families from the new variant we will not be inviting parents to join us. Pupils will still be participating; however this will be in their normal bubbles.

We are still in a global pandemic, and we must continue to be vigilant in following all Public Health advice.

## **Sun Safety**

Don't forget sunhats and sun cream in the hot weather.

## **Governor Vacancies**

We currently have a vacancy for a parent governor and are seeking nominations for an enthusiastic and committed parent or carer to join the governing board. Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing board is aware of the views of parents and the local community. We are confident that there are parents prepared to volunteer to take on this key role and give their time and commitment to help us continue to develop and improve the school's performance.

We also have a vacancy for a Foundation Governor.

Foundation governors have a particular interest in and responsibility for supporting and encouraging the spiritual life of the school, and the Christian values and ethos.

If you are interested in either of these positions, please get in contact with Mrs White via the office.

## **School Uniform**

If you have any unwanted uniform which may be of use to other parents, we will be leaving a box in the playground next week. Please put any donations in the box for us to quarantine. We will then organise as sale of second- hand uniforms towards the end of term.

## **Coronavirus information:**

What do I do if myself or my child is unwell and we think we may have Covid?

**If you or a household member starts to feel unwell, and you think you may have Covid you MUST:**

1. Ensure that the entire household starts to isolate
  2. Book a test
  3. If the test is negative family members can go about their normal business and you can return to normal activities providing you feel well enough to do so
  4. If the test is positive, you **MUST** inform all other contacts immediately. You and your family must isolate for 10 days.
  5. If a family member develops symptoms book a test for them. Isolation for the family would begin again from the onset of the last set of symptoms.
- or call 119 Important - if someone in the family needs to have a test If anyone in the household needs to book a test the rest of the family **MUST** isolate until the test result is confirmed.

If the result is negative, then you can go about your normal business. However, if the result is positive the whole family must continue to isolate and follow the advice given. Please do **NOT** send your child to school if someone in your household is having a test. This is to keep everyone safe. Thank you.

## **New Information: Wider Community Testing.**

You may be aware there are now more ways to access Covid-19 testing to help identify cases in your community. Covid testing for 3 cardinal symptoms If you identify one or more of the three cardinal symptoms-

- New continuous cough
- High temperature
- Change or loss of sense of taste or smell

You must book a PCR test and you and your family must isolate immediately until you receive the test result, which is usually within 24 hours. If the result is positive, you and your household must self-isolate for 10 days from the date your symptoms started. You will also be contacted by the local Tracing Team. However, if your result is negative, you can end your self-isolation, when you feel well enough t
